

HOW TO REACH OUR DEPARTMENT IN HORNÍ POČERNICE

Buy single way ticket for 32 Kc. Mind the ticket for the way back, no chance to buy one easily in the opposite direction.

Take the B (yellow) line of underground and go up to the end station CERNÝ MOST.

Exit underground on right side and descend to bus stop 15 (buses 221, 303, 304, 344, 353) or 14 (buses 354, 398). Go to the stop "NA KOVARNE". When using buses with three hundred numbers you must show your validated ticket to the driver on the way to us (not necessary to do this on the way back).

At the station cross the road, take the first street left (Tlusteho street), then right (Vidonicka street) along the park and through a „mouse hole“ under the railway. Then you will see the museum building in form of four white pyramids just before you.

Ignore the first entrance staff and continue straight towards the main entrance at the end of the road.

Our department is in block B, to the left from the main entrance. We occupy the first floor (Hájek, Fikáček, Kubáň, Sekerka, Tkoč, library) and second floor (Chvojka, Kment, Macek, Šumpich).
